

Cross Country is one of the few remaining Foothill sports programs where any student can fully participate regardless of athletic ability. This is a great opportunity for student athletes, but large teams require money to operate. With state and local budget cuts, the Cross Country program is not adequately funded. The Booster Club is tasked with raising funds to operate the team and really needs your support. Foothill has a long tradition of fielding strong distance teams and your donation will allow for this quality program to continue.

Booster Club funds pay for:

- Team t-shirts for athletes,
- Water and snacks for athletes at races,
- Summer coaching,
- Team equipment, repairs, maintenance,
- Awards banquet (partial),
- Seniors and coaches gifts,
- Offset athlete costs for Mammoth summer training camp, the Clovis Invitational meet, and CIF and state meets, and
- Super Boosters dues and insurance.

We would appreciate any contribution you can make to your athlete's team. Please make checks out to *Foothill Cross Country Boosters*. All donations are tax-deductible and a receipt will be provided via e-mail. Please contact Sue O'Bannon, President, or Margaret Cannon, Treasurer, with any questions.

Thank you for your support!
